

SOLUTIONS FOR BUSINESS JURIS BANKING

Expert counsel is at the core of our commitment to specialized banking for attorneys and law firms at Torrey Pines Bank. We bring you years of expertise in supporting the wide range of law practices – whether yours is a major, multi-disciplinary firm or a smaller, more focused enterprise.

Our experienced, knowledgeable bankers help attorneys and law firms maximize operations and financing strategies with innovative banking products and services. With a banker who knows the demands of your practice, you are better positioned to take advantage of every opportunity.

THE VERDICT ON OUTSTANDING SERVICE

Torrey Pines Bank is committed to providing excellent service delivered by expert bankers, along with ready access to bank leadership.

We are highly engaged in the legal community across our markets and our demonstrated expertise in juris banking, combined with our exceptional responsiveness and capacity, make us a valued resource for the legal profession.

Loans and Financing¹

We understand that financing needs can vary significantly among law practices, depending on their specialty areas and practice size. We offer deep experience with trial attorneys, corporate law firms, family law practices and specialty firms in tax, real estate, environmental, intellectual property and more. This knowledge has helped us build a customizable set of financing options to address cash flow and other firm management needs:

- Revolving lines of credit, including case-cost lines
- Secured loans
- Partner buy-in or acquisition financing
- SBA 504 and commercial real estate loans
- Equipment financing
- Sophisticated commercial credit card products

Money Management Tools

Rely on us for advanced products and services to meet your full range of money management needs. From comprehensive treasury management and fraud protection tools to flexible and up-to-the-moment merchant services², we can help you:

- Simplify day-to-day banking
- Accelerate receivables
- Improve payment practices
- Monitor and manage cash flow
- Streamline credit card acceptance and reporting
- Access 24/7 merchant services support
- Safeguard resources with tech-forward fraud protection
