

LIFE SCIENCES

From Lab to Market

Bridge Bank's Life Sciences Group (LSG) understands the unique challenges our client companies face bringing their products from lab to market. Whether medical devices, diagnostics and tools, or pharma, these companies face uncertainties that would make less experienced bankers uneasy. Our team serves high growth companies within the following sectors:

BIOTECHNOLOGY	MEDICAL DEVICES	OTHER
<ul style="list-style-type: none"> Therapeutics Vaccines Enabling technology Drug discovery 	<ul style="list-style-type: none"> Diagnostic Surgical devices Implantable devices Non-invasive devices 	<ul style="list-style-type: none"> Diagnostics Tools Specialty pharma Generics

LSG is committed to providing clients with experienced lenders along with sophisticated products and services necessary to weather these uncertainties and ultimately succeed. Our goal as a capital resource is to provide simple, straightforward solutions to your credit and banking needs. This will put your mind at ease and allow you to focus on what's important - managing your business and achieving your goals.

LSG provides term and revolving credit facilities to life sciences companies for a variety of purposes, including growth capital, working capital, refinancing, restructuring, recapitalization, as well as mergers and acquisitions.

TAILORED CREDIT SOLUTIONS:

- Term debt
- Revolving lines of credit
- Equipment financing

COMPLETE BANKING SERVICES:

- Treasury management
- International banking solutions
- Merchant services

**All offers of credit are subject to approval.*
