Venture Capital Relationships

Bridge Bank is deeply rooted in the business community, and highly networked with firms throughout the country who provide private equity and venture capital to companies seeking the financial resources to grow. We've worked with a wide-range of investors on deals of various sizes, and from mergers and acquisitions to corporate buyouts and IPOs. Yet, we remain committed to building relationships that endure beyond financial transactions.

Unique Debt Financing Solutions

It's not just the financial products we offer that make us unique, although our capabilities match or exceed those of larger institutions. But rather it's the way we structure them around each client's unique situation that make Bridge Bank different than any other financial resource.
