*The "Index" is the highest bank prime loan rate as published in The Wall Street Journal in its Money Rates section. The Index value will be measured on the last day of each month and resulting changes to the applicable APR will become effective for the Account as of the last day of the following calendar month. If the Wall Street Journal ceases publication or no longer publishes the Index, Bank may substitute a different index, in its sole discretion (subject to applicable law), which will thereafter be the Index for the Account.

¹Cash advances may be available upon request, up to 10% of your company's commercial card credit line. Please contact your Relationship Manager or add capability via eZBusiness Card Management. ²Third parties such as merchants or other financial institutions may charge you fees on cross-border transactions and foreign-currency transactions. ³\$10 fee per transfer on transfers above \$5,000.
