The Strength of Western Alliance

Helping Clients Move at the Speed of Business: WA VenueX™ Now Live

Western Alliance is known for our deep expertise across 30+ industries and consistent innovation to meet clients' evolving banking and finance needs. Our latest innovation is now live: WA VenueX™, our 24/7 U.S. dollar instant settlement platform for institutional digital asset clients. See how our expertise can make a difference for your business at **westernalliancebank.com/blockchain-digital-assets**.

The Resources You Need. The Attention You Deserve.

Clients across the country choose Western Alliance because they don't have to choose between scale and responsiveness. We combine the resources and capabilities of a premier national commercial bank with direct access to experienced bankers who understand their businesses, industries and goals. From treasury management and lending to specialized banking solutions, our relationship-driven approach helps clients move quickly and pursue opportunities with confidence.

Built to Support Your Growth

Growth takes a banking partner with the strength to deliver today and the capacity to support what's next. With nearly $100 billion in assets and clients in all 50 states, Western Alliance brings financial strength, stability and specialized expertise to help businesses seize new opportunities. And as we grow, so does our ability to serve our clients. Learn more about Western Alliance at **westernalliancebank.com/about-us** or contact your Relationship Manager.

"As Western Alliance continues our steady, sustainable growth, we're able to bring even more expertise and resources to our relationships with clients, while keeping personal attention at the heart of how we work."
